Emilia (Millie) Podmore

Junior Web Developer

London, UK • **emiliapodmore@aol.com** • **07771 658801** • **Portfolio** • **LinkedIn** • **GitHub**

After a career in television, I transitioned into software development, driven by a passion for coding and technology. I have also drawn on my lived experience as an AuDHD individual, establishing the first CAMHS support group for girls recently diagnosed with autism. Excelling in organisation, problem-solving, and delivering clean, efficient code.

AREAS OF EXPERTISE

- HTML/CSS/JavaScript
- React
- Python
- Bootstrap/Tailwind
- Figma (UX/UI)
- Git/GitHub
- SEO
- RESTful APIs/JSON
- Node.js/npm

PROFESSIONAL EXPERIENCE

SheCodes (2023-2025)

Completed the Junior Developer bootcamp, mastering coding fundamentals and advanced technical skills in modern web development tools and frameworks:

- React Weather App - Built a real-time weather application using React, Node.js, npm, and APIs, featuring a clean, intuitive UI and efficient data handling.
- React Online Dictionary - Integrated multiple RESTful APIs within React to deliver definitions, synonyms, and translations, optimising performance, and user experience.
- JavaScript Weather App - Strengthened JavaScript and API integration skills by developing an interactive weather app deployed via GitHub, with Figma prototypes demonstrating strong UX/UI focus.
- World Clock - Created a dynamic global clock using HTML, CSS, and JavaScript with API data, enhancing interactivity through responsive layout and applied UX/UI principles.
- AI Fact Generator - Applied JavaScript and prompt engineering to build an interactive fact generator, integrating an AI API with CSS-in-JS for responsive styling.
- Responsive Travel Page – Designed in Figma and developed a responsive multi-page website using Bootstrap, Flexbox, and media queries, optimised for SEO and accessibility.

Production Assistant | Apple (October 2023 – present)

- Contributed to the pre-production of the "Anthology: The Beatles" documentary to be streamed on Disney+, by meticulously organising archive footage and established a data logging process in Excel.
- Identified and corrected transcript errors.
- Collaborated closely with the editing team to achieve strict deadlines, tracking progress in a fast-paced environment.

Tutoring/mentoring/Child minding (September 2021 - October 2022)

- Provided care and support to a 15-year-old girl with Down syndrome, fostering independence through exploration of London and managing her academic development.

ACHIEVEMENTS

Media Trust: Creativity Works (May 2023) Intensive four-week bootcamp building practical foundational skills for jobs in media and tech, delivered successful collaborative pitch to Paramount.

Mentoring at Springfield Hospital Children & Adolescent Mental Health Services *CAMHS* (2017 – 2021) Co-founded the first support group for girls in London, who have recently been diagnosed with Autism, provided mentoring and guidance in a confidential setting.
